Abortion - Right or Wrong No. 98-65

Is abortion acceptable in cases where the fetus is abnormal or deformed? This File addresses that very issue. Can we ever know exactly when a soul enters the fetus? The often-heard argument holds that abortion before that time would seem to be acceptable. The Council gives us a very clear answer to this question as well as explaining what happens to the soul of an aborted fetus. In addition, the impact of abortion on the souls attempting to gain entry into the

material manifestation is addressed in detail. We are given definitive answers to the whole abortion question.

Addictions - Drugs, Alcohol, Tobacco & Pop No. 90-25

Are cigarettes safer than soda-pop and synthetic vitamins? This file reveals the truth about second-hand smoke. Learn which alcoholic beverage can be considered a healthy medication and which is the most detrimental. Discover why drugs have become so popular in our society. The Council gives an in-depth description of the physical and spiritual side effects of marijuana and other illegal substances.

AIDS - Part 1 No. 91-31

The Council calls AIDS the Leveler, and says that it will be one of mankind's greatest challenges. It is the price that man must pay for his self-indulgent carnal pleasures; he must begin to answer for the responsibilities he has shunned. The Council also addresses the issue of children with AIDS in the schools and is mandatory testing feasible or not? Also much more.

AIDS - Part 2 - Survival in the 90's No. 93-44

The Council continues their discussion of AIDS, as it is now and as it will be in the future. Though there is no certain way to avoid the virus, The Council provides the best precautions to take, as well as practical advice to health care workers. Teachers and parents of AIDS-infected children are offered guidelines. Is there a potential for a vaccine?

Angels - Heavenly Helpers No. 99-69

Have you ever wondered if angels really exist? Wonder no more! This File is a storehouse of fascinating detail on these celestial messengers. From the true nature of the fallen angels to the Heavenly heights of the Archangels, this intriguing file explores the many facets of these special creations. Discover how angels differ from us in their relationship to The Divine and what their true purpose is in God's Plan.

Angels and Prayer in Creation No. 08-105

How do prayers work? Why are some prayers unanswered? Here we have a fascinating lecture by William A. LePar dealing with the concept of prayer-created Angels that facilitate the fulfillment of the

prayer. This is a unique revelation of the operational mechanism of prayers. This is a CD.

Animals and Pets - Psychic Healers of the Animal Kingdom No. 87-11

Pegasus, Dragons, and Unicorns Oh my! Pets are psychic. A fascinating account of mankind's relationship to animals from the time of Eden to the present. Also man's early experiments with animals resulting in the creation of monsters and mythological beasts are recounted. Hunting, fishing and the use of animals for food are discussed. The interesting topic of animals as pets is examined in detail.

Animals and Pets - Part 2 No. 15-131

Some of the topics discussed include the evolvement of the animal kingdom, how dinosaurs were created and destroyed and our closeness to domesticated animals. The Council gives an interesting perspective on how man was supposed to work with the animal kingdom from the beginning of time. Is there good and bad in the animal kingdom or simply misunderstood? Read and find out.

Animals and Pets - Part 3 No. 16-136

The information presented here comes from some of the later trances of Mr. LePar's work. This file opens with a discussion on the treatment of animals and their purpose in creation. Hunting of animals to reduce their population, the chemicals that we get from animal products, the Loch Ness monster and what exterminated the dinosaurs are covered. What is the smartest animal? Find the answer in this file.

LePar on Animals No. 07-102

Can animals go to Heaven? The answer might surprise you. Here we have a delightful CD recording of a William LePar lecture about animals. The information is based on a compilation of quotes from the trance material. This is a truly enjoyable lecture from start to finish especially for animal lovers.

Astrology and Numerology No. 05-93

The Council examines several of the astrological signs. Discover which sign is the highest in the Zodiac chart. Which sign was Christ

born under? The answer may surprise you. Find out if it is necessary to make a complete passage through all twelve signs before we are reunited with God. Also included is a brief but fascinating explanation of numerology. Learn what the accuracy of numerology is dependant upon.

Atlantis - Part 1 - High-Tech Disaster No. 89-19

If you have an insatiable appetite for anything Atlantean, here's more for you. This File discusses their government and their power of creation and destruction. How did they use genetics and crystals? Is Atlantis within the Bermuda Triangle? Why was Atlantis destroyed? Are souls from Atlantean times reincarnating today? Why? Read the Trance Lending Library File Atlantis Part 1.

Atlantis - Part 2 - Man Versus Nature No. 90-26

Atlantis is gone leaving in its destruction a lesson mankind would be wise to learn. Man's abuse of nature has in the past destroyed more than one continent; can it today, destroy our whole world? The material world was never truly meant to exist, and man's journey from his heavenly state has cut a wide path of destruction through it. The Council cautions us on our aggressive nature and on the extinction of species, and provides information on the fundamental difference between man and animals, the building of the pyramids, and discusses the man-made dinosaurs of Mu and Atlantis.

Belief Systems - Part 1 No. 05-94

Here we have an excellent examination of the world's beliefs, past and present. Belief systems are the combined construction an entire group of entities. Each cycle of man's existence has a specific belief system which is part of the ultimate Plan of the Father. As each part comes into its proper place that belief system becomes inescapable, Each is an absolute must for an entity's experience. How closely ones belief structure corresponds to the Divine super belief structure indicates an entity's development.

Belief Systems - Part 2 No. 06-97

Here we continue the examination of the world's beliefs. The File describes in great detail the civilization of Atlantis and the events leading to its demise. Also included is the Cain and Able story. The Council explains how this story poetically reflects the inner division

which exists within man. Discover the dual meaning of the Tower of Babel event. The confusion of language indicates the moving away from the Divine Source. We also find a thorough discussion of the Trance state and the criteria required to achieve a proper trance state.

Chakras - Spiritual Power Centers No. 98-66

Chakras are known as energy fields for spiritual forces. There are seven main Chakras and many minor chakras. The head chakra alone has 12 minor chakras. In this File, The Council reveals that all those born into the Western belief system have already undergone the opening of all seven main chakras. Find out what we must do now to achieve perfection.

The Children's - Family Trance - Questions of Innocence No. 00-73

What would the children say when they had a chance to question The Council? Unburdened by guilt or a need to be "proper," the children of the SOL Associates ask questions with a freshness that is missing from the adult Trances. Do you know the answer to God's favorite job, the smartest animal, if dragons were real, or how Mary got pregnant? The children do. In the second Trance, the Family Trance, the adult members of the SOL Associates' families are given a chance to talk with The Council on such subjects as the reason for the Trances, parenting, discipline, and diet. This is a file that will uplift the heart of even the most serious spiritual seeker.

Consciousness, A Panoramic View – Lecture by Mr. LePar No.11-118

Years ago The Council gave us an amazing explanation of the workings of the Human Mind. The many levels of the mind were explained in great detail. The conscious, sub conscious, super conscious, objective mind, the traveling mind are all examined. In this CD Rom. William A. LePar is very careful to follow The Council's words faithfully. A Q&A session follows the lecture.

Cornerstones of Spirituality No. 09-109

A truly enlightening lecture by William Allen LePar on the Principles of Spirituality. The concept of sin; the reality of Hell; The Christ Consciousness are all addressed in this presentation along with a

number of other useful concepts. We even get a primer on the Morality of Cremation. This is a CD.

Corporate America - Part 1 - The World Enslaved No. 93-43

A fair profit for a good product is a thing of the past in the business world. Greed and irresponsibility now rule. The Council addresses corporate responsibility for unsafe products, worldwide conglomerates and their goal of worldwide rule, and the dangers of nuclear power. They also make a rare prediction on a global monetary collapse.

Corporate America - Part 2 - Government for the People? No. 94-45

Government of the people, for the people and by the people is a concept that is more often honored in the breach than in actuality. The Council warns of dangers in allowing Big Business to influence the politics of America. The relentless quest for profits has taken precedence over the basic rights of the citizens. We must insist that our leaders possess a high sense of justice and morality before it is too late!

The Council - Heavenly Ambassadors No. 87-01

The Council: Twelve heavenly ambassadors. The door to the Fourth Dimension opens. In this Trance Library File the members of The Council explain how they operate through Mr. LePar, where they come from within the God-made Heavenly Realms and their purpose for these Trances. They clarify the SOL organization's responsibilities during the Trance phenomenon. Warnings are given about the danger to Mr. LePar during the Trance sessions and how to protect him.

The Council – Part 2 No. 20-151

We begin this file with The Council explaining to our children a little about the trance that Mr. LePar is in right now (The children are sitting very close to him while he is in the trance state.) Next, we have The Council explaining about themselves to an adult audience in our first trance for the general public. We follow that selection with one from the second public trance where The Council explains a little about their lives in the physical world before they reached their current position in the Heavenly realms. Much more is included here.

The Council Experience 1 (DVD - YouTube) - Million Word Celebration No. 96-VT1

The first of the Public Trance videos, The Council Experience 1 is a celebration of Mr. LePar's channeling of more than one million words of wisdom from The Council. Observe the extensive Trance preparation, the induction phase, The Council's opening message, the question and answer session, as well as The Council's closing statement. The Trance concludes with a dramatic demonstration of The Council's presence.

Creation - The End of Eden No. 87-02

The Adam and Eve saga, the real story. Why was man created? How was man created? Where was the Garden of Eden? Was man always a physical being or did he exist in some other state? These questions are answered by The Council in this Trance Library File. Included is a complete statement by The Council that we have titled "The Creation Story" in which The Council explains how man was created, his relationship to angels and man's fall into a physical existence.

Dinosaurs - The Original Jurassic Park No. 95-50

Why the fascination with dinosaurs, especially among children? Is it their size, strength, and power, or is there more to it? Could they have played a part in our own past lives? Incredibly, we were contemporaries with the dinosaurs, and by our genetic tinkering, had a hand in their evolution. Learn about such "mythical" creatures as dragons, Pegasus the winged horse, and unicorns. Some were imaginary, but others were as real as the dinosaurs. Finally the account of the destruction of the dinosaurs provides a lesson for modern man; destroy Nature at your own peril.

Dreams - Mental Data Processing No. 96-53

Discover the significance of your dreams. This File shows how to unlock the hidden secrets of your dreams and how to understand them. The Council explains why sleep is necessary and explores the many facets of the mind whether awake or asleep. A large amount of research has been done with dreams by the scientific community but The Council shows us that we still have a lot to learn about dreaming.

The Effects of Music - Sex, Drugs, and Rock-n-Roll No. 87-12

Middle C mind melodies, soul sounds. The harmonics of the universe are revealed. Learn how music can be used to soothe the savage beast or produce a trance-like state. Classical, Christian rock, acid rock and many other types of music are discussed. Can music actually change our molecular structure? Can the roots of rock and roll be traced to Atlantis? Find the answers to these questions and more in this thought-provoking Trance Library File.

Evolution - The Darwin Dilemma No. 89-20

Scientists say that they have found the missing link between man and the apes. The Council says otherwise. Their view on Evolution, Darwinism, dinosaurs and missing links is startling. Man has evolved, but how much and how does his evolution differ from that of animals? Each animal serves a purpose. Learn man's link to the animals.

The Family Unit - Part 1 - Last Hope of the World No. 88-15

What is the proper role of a father? What is the proper role of a mother? What responsibilities do children have in a family? How should children be disciplined? Does a soul choose his parents? How can parents deal with children using drugs? The Council states that the condition of the family unit determines the state of the world. Find out how to bring peace and harmony to the family and ultimately to the world in this most important and enlightening file.

The Family Unit - Part 2 No. 89-21

The Family Unit Part 2 continues The Council's dissertation on a subject paramount to our survival as a free and morally strong society. The future of the world depends on the strength of the family unit. The Council goes straight to the heart of the issue and you will find that they don't mince words when the discussion gets into issues that are important and soul rewarding. Learn useful principles of family life.

Food and Nutrition - Life and Death in the Supermarket No. 88-17

Here is a File that you can really sink your teeth into. (We just couldn't resist) The Council will discuss a wide range of food and nutritional questions: Why aren't artificial vitamins as good as natural? What about cholesterol? What effect do all the additives and preservatives in our food have on our bodies? How can you lose

weight? Is fluoride in our water beneficial or harmful? Also, as a bonus you will receive valuable information about cancer prevention!

Gemstones - The Power of Stones No. 94-47

The Council reveals the secrets of the gemstones, correcting some common misconceptions connected with stones and crystals. Discover which stone should not come in direct contact with the skin and which stone helps reduce stress. Find out how crystals were used in the construction of the pyramids. The explanation will fascinate you!

Government Morality - Part 1 No. 89-22

This is the first offering in the Government Morality Series. The Council is hard hitting on subjects such as ideal forms of government, utopian societies, big business, public officials, freedom of the press and who the real powers in the world are. They also hint at the prospects for our future. This File won't always make pleasant reading but how much of what you read or watch on TV is pleasant? At least here you get the facts and you will find much of value.

Government Morality - Part 2 – Who is in Charge No. 90-27

Do you ever feel that the whole world is marching headlong towards disaster? This Trance Library File is bursting with insights into the real nature of politics. Who really controls the government? What is the relationship among government, big business and religion? Are the citizens being purposely misguided? This File is must reading if you ever hope to understand the political world around you. More important, you will find concrete suggestions on how you can strive to improve the situation.

Government Morality - Part 3 - Common Man Awareness No. 91-32

Isn't it about time we cleaned up our government? Are we truly the land of the free? The Council advises us to open our eyes and return to a government of, for and by The People. Learn what YOU can do to make the government accountable.

Government Morality - Part 4 - Government by Greed No. 92-40

What is the proper attitude of a good and godly government? Should you send the check to the T.V. ad or help the starving people in your

own city? Has the vast array of dissatisfied people finally awakened? It is government and big business against the farmer and the common man, who will win? Answers to these and many other questions await you in Government Morality Part 4.

Health - Part 1 - Nature's Remedies No. 90-28

Discover why rock music can be hazardous to your health. Dig into an extraordinary discussion about the healing properties of plants and herbs. The Council also recommends a diet for those interested in developing their psychic abilities. The Council gives a simple procedure for eliminating scars without plastic surgery.

Health - Part 2 - The Council's Weight-loss Diet No. 91-33

Are you as big as a barn and have tried numerous diets without too much success? If so, The Council recommends a safe, sensible diet that actually works. For those interested in becoming healers, The Council gives a step-by-step procedure. There is much to be said for those who love animals. Find out how our pets can actually assist in the healing process.

Health - Part 3 - Conquer Cancer and Control Cholesterol No. 92-37

Does an apple a day really keep the doctor away? Read this File and discover how to drastically reduce your cholesterol level. Which is more harmful: cigarettes or soda pop? The answer may surprise you. Learn how miracle cures are achieved. Discover how healing can be achieved through hypnosis. The Council gives an in-depth description of the bio-electrical-chemical system of the brain.

Health - Part 4 - Laughter: The Best Medicine No. 93-41

Negative thoughts can make you sick and positive thoughts can heal. Discover the key importance of attitudes to health. Laughter truly is the best medicine. The Council covers a whole range of tips and principles for health including gems and crystals, exercise, hypnosis, faith healers and artificial sweeteners. A discussion of the cause and cure for depression is especially interesting.

Holiday Messages from The Council No. 02-79

This file contains The Council's Christmas and Easter messages. The Council often gave these messages during trances which took place

near the holiday season. Learn the symbolism of the Advent wreath. Discover how Christ bridged the gap to Heaven for mankind. Just as Christ rose from death at Easter, we should rise from our dead spiritual lives to a new awakening. At Easter we should think of the beautiful place that we rightfully deserve.

Holiday Messages - Part 2 No. 15-132

The Council always presented a significant message during the seasons of Christmas and Easter. In this file they present some thoughts on the Star of Bethlehem, God fulfilling his promise in Jesus, The Council talks about the true meaning of the Lenten season, and how to take the meaning of this important event in your heart throughout the year. There is much of inspiration in this file.

The Holy Family No. 02-80

This file spotlights the special human family of Christ, Mary and Joseph. Learn about Mary's perfection and her role as model for all mothers. The unique role of Joseph is explained in detail. Did Christ have brothers and sisters as some claim? Find out in this file. The Council concludes with a discussion of the phenomenon at Medjugorje where the Blessed Virgin has recently appeared.

The Holy Family - Part 2 No. 03-83

The Council suggests that more people should develop a devotion to the Blessed Mother because she is extremely powerful in the heavenly realms. Jesus Christ, as an obedient son respects His mother and gladly does what she asks. We are given a short prayer to the Holy Mother for her intercession on our behalf. We are presented with a surprising viewpoint on Judas; not as a traitor but more as an essential player in the redemption plan. We are told that Mary was in her early thirties when Christ was born. The Holy Family is presented as a model for our families. This file is rich in fascinating details about the family life of Christ and His parents.

Human Sexuality - Part 1 - The Lost Art of Marriage No. 97-59

Do we treat love, marriage and sex with the proper respect? True love between two people should begin as friendship then proceed to a proper courtship. It should culminate in marriage which is a never-ending commitment until death. In the world today the abuses of love are making a mockery of the holy state of marriage. This file covers a

wide range of sexual topics including: prearranged marriages, justifications for divorce, premarital sex, illegitimate children, the wedding ceremony, common law marriage, emotional cruelty, polygamy, unliberated men, soul-mates, abortion, and much more.

Human Sexuality - Part 2 No. 97-60

This File reveals the one and only way to spiritual growth and enlightenment. Discover the thread of consistency which is the foundation of Divine existence. Topics covered include: infidelity, forgiveness, divorce, The war between Darkness and Light, temptation, the Bible, breach of contract, responsibility to children, burden of support, clash of egos, spiritual contracts, married clergy and much more.

Human Sexuality - Part 3 - Marriage and Divorce No. 97-61

Marriage is a contract between a man and a woman but sometimes this contract is broken by divorce. Each has vowed to love, honor and obey for life and in a true marriage divorce would be the very last thing considered. A true marriage involves love, forgiveness and working things out. Divorce indicates that, perhaps, there wasn't true love to start with. This file shows us that there are valid reasons for divorce but they are few.

Human Sexuality - Part 4 - Our Creative Abilities No. 98-62

This File deals with all of the problems and ramifications surrounding divorce. Learn about our androgynous natures. What are the responsibilities of a man? What are they for a woman? Also, find out what society's attitude should be concerning homosexuality. Why are certain lifestyles accepted in some societies and not in others? The answer lies within this File.

Human Sexuality - Part 5 - Our Androgynous Nature No. 98-63

This File shows us that the purpose of life is to achieve a greater awareness of our original divine state thus eliminating the need for reincarnation and karma. You must be willing to become the best you can be with what you have. Spirituality is not dependent on depriving yourself of anything. You will realize that all your suffering is really your choice with no real need for it.

Human Sexuality - Part 6 - Excelling In Life No. 98-64

In this File The Council discusses the clothing we choose from both extremes, those who wear provocative outfits and those who live in a society that greatly restricts both style and color. There are also questions about nudist camps. Their view gives us clear insight from the highest levels.

Human Sexuality - Part 7 - Spiritual Sharing No. 99-67

In this File The Council tells us that sexuality can be a form of spiritual communion between partners who are committed to each other. It is a sharing of spirituality which intensifies the love bond. We are reminded that the first criteria for experiencing sexual pleasure is a full commitment of love. Physical love without a commitment is an absolute taboo.

Human Sexuality - Part 8 - Sexuality in Soul Relationships No. 99-68

In this file The Council defines our sexuality with profound eloquence. They give us a picture of what is involved at a spiritual level with the parts souls are playing in the material form in relation to their own androgyny. We are given a warning about the nature and purpose of the AIDS scourge. Discover why speaking with The Council is such a unique experience, never to be duplicated.

Human Sexuality - Part 9 - The Family Unit No. 01-75

The Council begins this Trance session with a comprehensive discussion concerning the importance of the family unit. Questions were answered about working mothers and "quality time". Also discussed is traditional schooling vs. Home schooling. This File includes a detailed description of the consequences of marital infidelity and the permissiveness of our society.

Human Sexuality - Part 10 - Sex and Science No. 01-76

Modern science has given us many avenues for child bearing: artificial insemination, surrogate motherhood, and fertility treatments. Are these methods acceptable? Yes and no! This File sets out the guidelines for the proper use of these methods and cautions about their misuse. The Council also presents a frank discussion of spousal manipulation and abuse.

Human Sexuality - Part 11 - The Proper Marriage No. 01-77

This File covers a diverse range of topics ranging from unwed mothers to interracial marriages. Also included is an in depth discussion of the commitment within a marriage. The Council explains the driving force behind our sexuality. Controversial issues of abortion and birth control are addressed.

Hypnosis – 22-161

This file is interesting but somewhat technical as it talks about past life regression, the difference between a trance and hypnosis. Also, it touches on the many levels of our subconscious mind. The Council also discusses the value of hypnosis to man. Lastly, they talk about the different levels of the mind and some of its functioning.

The Illusion of Time - The Time Travelers Handbook No. 88-18

Do you like to work thousand-piece puzzles? Can you manipulate abstract concepts in your mind? Have we got a challenge for you - time and relativity. Yes, The Council discusses Mr. Einstein's famous theory and goes many steps beyond. What do you know about "the ever-present now?" Is time travel possible? Here is your opportunity to explore one of the true mysteries of our existence. You will also find new perspectives on reincarnation and past lives.

Information and Inspiration - Part 1 No. 15-133

This is the first of what we hope will be several files containing some of the most interesting and most inspiring information along with some that we as members of SOL have found of value from the body of work by William LePar and The Council. There is so much to talk about in this file that a paragraph is not sufficient but here are a few items - Medjugorje, Love's Rewards and The Love Vibration, along with Mr. LePar's essay, A Personal God.

Information and Inspiration - Part 2 No. 16-135

This is the second file containing some of the most interesting and inspiring information along with some that we as members of SOL have found of value from the body of work by William LePar and The Council. Some of the topics discussed include - The Bermuda Triangle, Success in Spirituality, Kirilian Photography, auras, the unicorn and a wonderful excerpt from William LePar's second volume of The Book of John.

Information and Inspiration - Part 3 No. 17-141

This file begins with information about biorhythms, having a glorified body, the Divine Inflow, along with five sections on healing. Within the healing discourse is information on activating the right brain with exercises to help us promote that activity.

Information and Inspiration - Part 4 No. 18-143

This file begins by telling us that we are creative beings, what our purpose in life is, how the Law of Attraction works, how karma works, eliminating karma and what good karma is.

Information and Inspirations - Part 5 No. 19-147

This file opens with a discussion of a question that has intrigued scientists for years: what happened to the dinosaurs? This is followed by an inspirational quote about respecting ourselves, followed by another about solving problems. On a scientific level, a detailed Q & A about the makeup of the atom is given in a two-part series. Next, we have an in-depth discussion of our treatment of animals. Much more is offered in this 19-section Trance Lending Library file.

Karma - Pay Now or Pay Later No. 87-09

How is your soul's credit rating? Your tomorrows are determined by your todays. Read how karmic situations developed in Mu, Lemuria and Atlantis. Examples of karmic ties in a family relationship are given. The controversial subjects of divorce, remarriage and abortion are discussed. Can you be born on another planet? What is group karma? These and other questions are answered. The Council gives us a simple spiritual goal that we can all obtain.

Karma – Part 2 No. 20-152

The first five selections in this file discuss children and the karmic conditions that can occur. The Council refers to “intention” as being key to karma. Selection 6 illustrates how The Council has worked with us through the trances. The Council eventually ends this selection with a clear and concise statement of how to end the Cycle of Reincarnation and to eliminate all karmic debt in this lifetime.

Karma – Part 3 No. 20-153

This file opens with a discussion of the treatment of animals and the karmic conditions that can be created. There are selections on marriage and remarriage dealing with the karmic potentials of each. The Council also explains how one bad decision can lead to another and then another so that a pattern of karma is created that can be very difficult to correct.

Karma – Part 4 No. 21-157

The file begins with a discussion of transgender issues and society's reaction and rejection of these issues and the karmic issues that result. Next the subject of revealing dress is questioned. Another This Selection deals with the karmic implications and situations that deal with a parent leaving their child to be cared by someone else, whether it is a school or a day-care situation or some other type of situation. There are many topic for today's world included in this file.

Life After Death Dissertations - Part 1 No. 12-121

This file contains supplemental information to the Life After Death series of Trance Library Files. It consists of summaries presented by The Council following lengthy presentations of the states of existence in the Man Made Heavenly Realms and the God Made Heavenly Realms. A truly informative read.

Life After Death Dissertations - Part 2 No. 14-127

This file continues the fascinating life after death discussion presented in the Life After Death Dissertations - Part 1. More information about the Man Made Heavenly Realms and the God Made Heavenly Realms. A complete explanation of what transpires once you leave the material or once you change your focus.

Life after Death - Part 1 - The Beginning of the End No. 87-05

Building spiritual citadels. Going Up? The Council Opens with an in-depth narration of the differences between us and Christ and His relationship to the Grace Period. Other topics in this opening part of the series include: a definition of God, our purpose for being here, what this experience really is, free will, healing and time. The Council also reveals their definition of Christianity.

Life after Death - Part 2 - A Tale of Two Heavens No. 87-06

Heavenly hierarchy. Beyond heaven's gates. is a lively discussion about owning luxuries. Learn how to be prosperous without being greedy.

Money, Wealth and Poverty - Part 2 No.97-57

As Americans we pride ourselves in having a democratic form of government. We vote for our leaders and we feel that they act in our best interests. This File points out that perception and reality are often very different. They speak of a shadow government-big business coalition pulling the strings on national and international events. Politicians are more often motivated by greed and the quest for power than by the legitimate needs of the citizens. The morality of government aid, bank loans, farm support, charity and poverty are also discussed.

Mysteries of the Universe - How to Build a Pyramid No. 88_16

Travel with us to the Bermuda Triangle and ancient Egypt, (and a quick stop at Atlantis). Enjoy fascinating commentary about black holes, flying saucers, and life on other planets. People wear crystals to help add energy to themselves, but these stones contain more power potential than modern man ever dreamed. How were the Atlanteans involved in the building of the pyramids? Did you know that one of the capstones was a ball of solid gold seven feet in diameter? Also, find out what power formed the image of Christ on the Shroud of Turin.

LePar on The Passion of The Christ No. 07-101

The controversial movie The Passion of The Christ impacted viewers in contrasting ways. Both praise and scorn were piled onto this Mel Gibson production. At a recent gathering Mr. LePar presented some psychic impressions of the movie. These insights into the Passion of Christ transcend the parameters of religious research and scholarship as we know it. Thus, they are an excellent example of the spiritual treasures found at informal gatherings known as Spiritual Dialogue with William Allen LePar.

Personal Morality - Part 2 - The Subliminal Assault No. 92-38

Are backward recording techniques used to put messages on rock albums? Yes! "But the real villain is what can be totally understood without using such dubbing techniques." In the second Trance of the Personal Morality series, The Council lets their "hair down" as we get a rare glimpse of their sense of humor. The topics covered are: classical and "junk" music, parenting, sleep learning and humor.

Personal Morality - Part 3 - Give Your Child a Head Start No. 95-49

The parent-child relationship is explored in detail in this fascinating File. Such topics as teaching in the womb, sleep learning, child discipline and parental example are covered. Do you watch TV with a child sleeping in the next room? It could be a very unwise thing to do. This File is an excellent primer for parents of very young children and for parents-to-be.

Prayer - Soul Power No. 00-71

We have all said prayers that we thought were never answered; perhaps we prayed for a healing and the healing never came, and we reasoned it was just not meant to be. In this file you will discover what was meant to be, and why prayers seemingly go unanswered. You will also discover what elements are needed for a powerful prayer, including the role of the heart and emotions. You will see how activities and good deeds can be a true form of prayer, why meditation should always be preceded by prayer, and how praying for others adds to your own soul. Prayer takes many forms and no prayer is ever wasted but always does some good, somewhere. Don't hesitate to pray often; it is the most powerful thing you can do.

Prayer - Soul Power - Part 2 No. 00-74

This File continues the dialog of Part 1 with many examples and specific types of prayer. There are many suggestions to make prayer more powerful and effective. You may look on prayer in a completely new light after reading this fascinating File.

There is an interesting discussion of dream cycles and the causes of certain emotional problems.

Reincarnation Revisited - Part 3 No. 96-55

Victim Souls -- who are they and what is their purpose? The Council tells us about these amazing entities who do not have to reincarnate but do so out of love for mankind. The Council presents a wonderful interpretation of the biblical parable about the laborers in the vineyard. The karmic ramifications of organ donations are explored. This file closes with a discussion of the value as well as the danger of hypnosis.

The Second Public Trance No. 01-78

This transcript of Mr. LePar's second public Trance will not disappoint you. The Council begins with a fascinating parable about a loving father and his wayward sons. We find an excellent discussion of chakras and their meaning. The healing value of herbs, medicine and

music are addressed as well as the Gulf War and the phenomenon at Medjugorje.

Secrets of Spiritual Growth No. 06-98

For the first time a two-disk audio CD recording from the Spiritual Dialogue Series of LePar lectures is being offered as a Trance Lending Library File. This fascinating discussion covers Mr. LePar's recounting of his encounter with a near-death experience of several years ago, starting with the often cited passage through the tunnel into the light. He documents the complete feeling of freedom and peace to the meeting of the relatives and loved ones. Then he comes to the immensely detailed and intensely painful review of his life. It is the little things that we fail to do that count more than the big things. The big things you do but little things contain your spirituality.

Sherry Lee - Top Priority - WOAC 1984 No. 10-114

In the mid 80's Canton, Ohio had its own local TV station. WOAC first broadcast in April 1982 with Scott Davis, Sherry Lee and Son of Ghoul as major personalities. Sherry Lee presented a regular feature TOP PRIORITY. In 1984 two local psychics: William A. LePar and Lois Tinner Brown were guests on her show and are presented in this DVD. So sit back and enjoy this fascinating interview. The period clothes, beards and haircuts alone are worth the effort.

Study Group Trance No. 2 No. 18-144

In this trance The Council opens with a definition of spirituality, perfect love and imperfect love. More information is given on weaker souls receiving help from stronger. There is an interesting discussion or forgiving someone versus forgetting about a wrong committed. Asking for the Divine to help in time of trouble gives pause for thought. The Council warns us to clean up our karma now because we will not recognize the world in 100 years.

Study Group Trance No. 3 No. 19-148

The Council begins by telling us how to express our spirituality. They talk about the Holy Spirit and how we can open ourselves to help from that source. There is a lot in this trance that we can use for self-evaluation. One of the topics discussed is being deeply hurt as a child and its effects. An example questioned is children being hurt by a divorce. The Council closes with an inspirational message about each of us discovering who we are.

Study Group Trance No 4 21-156

The Council begins with a definition of true spirituality. They follow with some detailed information on mental illness and trauma, talking about foods, herbs, the activity of the soul and what happens when a

mentally disturbed soul enters the heavenly realms. The Council extends this discussion to the conditions of the world today. Next, they move to dealing with difficult children. Also, an exchange about bringing God and the Holy Spirit into our lives. An interesting aspect of the ego is brought in to help us understand why we think the way that we do. This file closes with some interesting points about our society today.

Study Group Trance No. 5 – 22-159

This trance opens with the SOL Associates discussion a possible public trance. The Council gives us a glimpse of the future. They say we would be wise to wait for our rewards until the hereafter. A quote: “The difference between those at the bottom of the ladder and those at the top is how much they are willing to sacrifice their own desires, their own wishes, their own life, their own emotions, their own needs, to help others.” The Council says, that all are given an equal opportunity for growth.

Study Group Trance No. 6 No. 02-81

This file is a transcript of the sixth trance in the Spiritual Research and Study Group series. It is a treasure trove of food and nutrition facts from vegetarianism to the danger of sugars. The popular high protein low carbohydrate diets are comprehensively covered. In a different vein, the subject of gay adoption is addressed in some detail.

Study Group Trance No. 7 No. 02-82

Love is the keyword in this transcript of the seventh Trance in the Spiritual Research and Study Group series. True love is very rare and outside forces will try to destroy it. Learn the true value of love in this life. Family structure and responsibilities of each member are enumerated. When love is lacking, materialism, feelings of worthlessness, depression and often the administration of medication follows. We are cautioned to be parents rather than friends to our children. This is a truly enlightening file.

The Lost Parable No.14-130

The Council indicated that this story would prove to be a source of enlighten to all who read it. The Council then suggested that the

greatest value, as with any parable, can be obtained by paying close attention to what is being said beyond the words.

The Problem with Lucifer No.12-120

A collection of random musings by William A. LePar on the Nature of Lucifer. These were compiled from a number of Solar Business Meetings of many years ago. Mr. LePar would get inspirational information on occasion during these meetings which he would share with those in attendance. These asides were often the best part of the meetings. Fascinating revelations! This is a CD.

Trance Opening and Closing Statements No.12-122

At the beginning of each of Mr. LePar's Trances The Council gave an "Opening Statement" before the questioning by those attending began. Again after the end of the Trance The Council made their "Closing Statement". Over the years it was discovered that some of the most valuable information was gained from these statements. Presented here is a fine collection of Opening and Closing Statements for your edification.

Trance Opening and Closing Statements - Part 2 No.14-128

This is a continuation of the Part 1 file issued two years ago (No.12-122). In these statements by The Council is contained some of the most interesting and valuable information that was received in the LePar Trances. The Council was free to provide information that was useful to us.

Victim Souls 21-155

In this file The Council explains a very special class of souls. The Council refers to them as victim souls. Why do they leave the safety of the heavenly realms to return to our world? Under what conditions

would they return and under what conditions would they not? Examples are given of both situations. In this discussion, they also talk about souls who come back to carry out a specific activity within the Divine Plan. Will we, in the future be part of one of these spiritual groups? This is truly a fascinating file, and a must read!

War - Politics and Profit No. 00-72

War is the result of government and big business. The reason is the huge profit to be made from war. Governments and big business seek complete control of the people, mind, body, and soul. What right does anyone have to cause pain, suffering, and even death to another individual? When mankind realizes that no government or corporation has this right, then we will have a much better world.

1981 PM Magazine Program with William A LePar No. 11-117

The year was 1981. Jim Finerty of WJW TV PM Magazine brought a crew to the home of a SOL member to interview and film an episode featuring William A. LePar both awake and in Trance. This very interesting program aired that same year.
