

UNIVERSAL BEING 2026 *Piercing the Veil*

Universal Being 2026 is a special event.

We return to our roots, with no guest speakers – only veteran members of SOL – to revive insights into the ultimate, universal, question: What is beyond death? Universal Being 26: Piercing the Veil, will tell you. Hint: If you think physical death is the end, anticipate some shocking revelations.

Our sources are The Council, the union of 12 of our brethren who spoke to physical man through the catatonic-state trance communications of William Allen LePar, and LePar himself.

He was already years into his service as a spiritual counselor and deep trance sensitive when, in 1979, the Life After Death Research and Study Group began. The trances were not easy on him, but he knew their value is beyond our ability to truly appreciate in this life. It is SOL's job, as LePar once wrote, "to let people know about this information so they can begin to put it into practice in their life. By doing so they will eliminate many stumbling blocks and unnecessary hard times in their life and in their existence on the other side."

After lunch (included in the admission), there will be just one session, but it will be filled with insights sure to inspire. Tom LePar and SOL Vice-President David Ries will share The Council's revelations on the

God-Made Heavenly Realms.

As a gift of thankfulness, all who attend will be given a copy of ***Life After Death, A New Revelation***, authored by LePar, Mrs. Highben, and Ries.

Saturday, October 10, 2026, 9 am–3 pm

*The conference is at LaPizzaria,
3656 Dressler Rd. NW, Canton, Ohio.
Registration begins at 8:30, and the first
presentation begins at 9.*

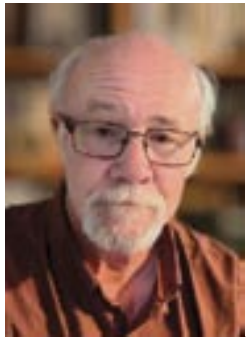

It took five years and 21 trances before the Research Group was satisfied. Man-kind now has a clear picture of what our journey from the physical to the spiritual will entail, and how today's decisions prepare our tomorrows.

The morning sessions will be handled by two Associates who spoke on life after death at SOL's first conference, in 1983. Denny Highben will present

Understanding the Transition.

It will be followed by Sherilyn Highben explaining

The Man-Made Heavenly Realms.
